

ANTIMICROBIAL CARPET / NON SLIP FLOOR CLEANING

WTWS are pleased to offer a specialist antimicrobial carpet and non-slip floor cleaning service using our revolutionary system.

The benefits of our service include :

- Superb Cleaning Results
- Fast drying (within 20 minutes)
- Stain removal
- Chewing Gum removal
- Antimicrobial qualities, killing pathogens such as influenza and MRSA in one application
- Returns non slip floors back to non slip (ALTRO approved) minimising the risk of slipping
- Environmentally friendly product
- Uses minimal water

WTWS offers competitive pricing structures tailored around your individual site needs.
